Excerpt from The Rover Boys in Southern Waters, or the Deserted Steam Yacht

Eleven volumes! Just think of it! What a great number to write about one set Of young people and their doings! When I started out, as I have mentioned before, I thought to pen three volumes, possibly four. I was not at all sure that the boys and girls would wish any Of them. But no sooner had I given them The Rover Boys at School than there was a demand for The Rover Boys on the Ocean and then The Rover Boys in the Jungle, and then, year after year, there followed The Rover Boys Out West, On the Great Lakes, In the Mountains, On Land and Sea, In Camp, On the River, and Om the Plains, where we last met them.
