## **The Shadow-Line** Joseph Conrad

Teodor Józef Konrad Korzeniowski (1857-1924), better known by the pen name Joseph Conrad, was a Polish-born novelist who spent most of his adult life in Britain. He is regarded as one of the greatest English novelists, which is even more notable because he did not learn to speak English well until he was in his 20s. He is recognized as a master prose stylist. Some of his works have a strain of romanticism, but more importantly he is recognized as an important forerunner of modernist literature. His narrative style and antiheroic characters have influenced many writers, including Ernest Hemingway, D. H. Lawrence and Graham Greene. Writing during the apogee of the British Empire, Conrad drew upon his experiences in the British Merchant Navy to create novels and short stories that reflected aspects of a world-wide empire while also plumbing the depths of the human soul. Amongst his best known works are Heart of Darkness (1899), Lord Jim (1900), Under Western Eyes (1911), Victory (1915) and The Rescue (1920).

All of us recommend that straight away because this publication has good vocabulary which could increase your knowledge in words, easy to understand, bit entertaining however delivering the information. The article writer giving his/her effort to set every word into enjoyment arrangement in writing The Shadow-Line although doesn't forget the main point, giving the reader the hottest and based confirm resource info that maybe you can be considered one of it. This great information may drawn you into fresh stage of crucial thinking.

#### **Richard Daniels:**

Reading a book to become new life style in this season; every people loves to read a book. When you read a book you can get a lot of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you want to get information about your study, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, these kinds of us novel, comics, as well as soon. The The Shadow-Line provide you with new experience in examining a book.

#### **Cherry Simard:**

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Shadow-Line can make you sense more interested to read.
