Behind Bars: Design for Cafés and Bars

Behind Bars: Design for Cafés and Bars

Behind bars goes beyond the cocktail menu, to serve up an in depth analysis of the most exciting bars across the globe.

Shaken and then stirred, Behind Bars presents a cocktail of bars, cafés and clubs. Introduced by an accompanying text, each of the 40 featured projects is presented over seven pages illustrated with high quality photographs and floor plans, with an additional page dedicated to the designers.

From on the rocks in Malta with Chris Briffa's TwoTwentyTwo bar and restaurant; a boat like structure marooned in Valetta's St.Andrews Bastion, to Patrick Jouin's Gilt bar; a multifaceted structure installed within New York's Villard mansion, Behind Bars offers an intoxicating blend of stylish, atmospheric and technologically advanced interiors, bound to inspire even teetotallers!
