Bill O'Reilly's Legends and Lies: The Patriots David Fisher

The must-have companion to Bill O'Reilly's historical docudrama *Legends and Lies: The Patriots*, an exciting and eye-opening look at the Revolutionary War through the lives of its leaders

The American Revolution was neither inevitable nor a unanimous cause. It pitted neighbors against each other, as loyalists and colonial rebels faced off for their lives and futures. These were the times that tried men's souls: no one was on stable ground and few could be trusted. Through the fascinating tales of the first Americans, *Legends and Lies: The Patriots* reveals the contentious arguments that turned friends into foes and the country into a warzone.

From the riots over a child's murder that led to the Boston Massacre to the suspicious return of Ben Franklin, the "First American;" from the Continental Army's first victory under George Washington's leadership to the little known southern Guerilla campaign of "Swamp Fox" Francis Marion, and the celebration of America's first Christmas, *The Patriots* recreates the amazing combination of resourcefulness, perseverance, strategy, and luck that led to this country's creation.

Told in the same fast-paced, immersive narrative as the first *Legends and Lies*, *The Patriots* is an irresistible, adventure-packed journey back into one of the most storied moments of our nation's rich history.

Introduction read by Bill O'Reilly.
