Living on Impulse Cara Haycak

Mia Morrow is impulsive, plain and simple. While her friends are concerned with grades and colleges, Mia would rather focus on the things that make her happy— like chasing boys or snatching something off a department store shelf. No big deal, right? But then Mia gets caught shoplifting, and her thoughtless behavior doesn't just push her friends away, it gets her into a lot of trouble, too. In this eye-opening tale of friendships, family, and negative impulses, Cara Haycak subtly shows that the power to heal is within all of us, and it almost always starts with forgiveness.
