Minding the Muse Priscilla Long

Minding the Muse is a practical handbook for the artist or writer—highly experienced, aspiring, or somewhere in between. Long draws from her extensive background as a poet, writer, and master teacher, but also gathers the insights and practices of a wide range of high-achieving artists, including mystery writer Raymond Chandler, choreographer Twyla Tharp, poet and performance artist Patti Smith, and the painter Joan Miró. Beginning with the first sparks of artistic creation—“Gathering, Hoarding, Conceptualizing”—Long moves through the various stages to “Completing Works” and “Poet as Peddler, Painter as Pusher: Marketing.” Every creative worker will find something here to take to heart and into the studio or workroom.
