Our culture is saturated with the supernatural. TV shows such as *Medium*, *Charmed*, and *Lost* all have an "other-worldly" theme. Most of them blur the lines between good and evil. This past year was a "record" year for Hollywood in the production of films that dealt with the supernatural/paranormal. While we choose our entertainment, our kids don't often have the luxury of choosing whether to be exposed to these things at school.

This book seeks to present a lucid and comprehensive examination of the paranormal and occult by breaking down the principles of paranormal practices, giving key points about the practices so that parents can readily identify them. The book discusses the occult view of supernatural energy and of good and evil, and how these concepts are seen in some popular literature and movies. The book also explains the dangers and gives a biblical basis for concern. Christian parents need to be equipped to discuss these matters with their children!
