**ArtemisSmith's GrandmaMoseX: The Final Testament before The Apocalypse** Anselm L.N.V. Morpurgo

Anselm L.N.V. Morpurgo, also known as ArtemisSmith, is a contemporary of Andy Warhol and a still-living Poet, Futurist and Scientific Philosopher. While operating her own successful off-Broadway workshop that gave rise to many of today's Film and Television celebrities, in the 1950-60's, she was also a prominent strategist of the Rainbow and GLBT civil rights movements and was the first best-selling author to tell the Gay Community at pre-Stonewall 1960's ECHO Conferences to look toward the Advertising Industry to change the Gay Image, and to hurry up and "Come out of the Closet" or get left out of the civil rights movement. Also an accomplished Artist and Sculptor, ArtemisSmith Morpurgo was the first to combine Pop-Art with Advertising Art and Calculus into a new poetic medium for philosophical peripathesis in the first on-demand desk-top produced Gothic Novel. This Collectors Library Edition of ArtemisSmith's illuminated satirical long-poem? presented as Nietzschean 'calligraphic eye-candy' and 'chicken soup for the Soul'? turns both Cosmology and Human History on its head in Swiftian fashion to provide a new Atheology compatible with the Unified Information Sciences. Grandma's Appendix, actually an integral part of the narrative, dusts off ArtemisSmith's entire trend-setting 1989 science fiction epic: "SKEETS: the new Frankenstein chronicles" in renewed and enhanced calligraphic splendor. A MONOGRAPH OF THE SAVANT GARDE INSTITUTE
