Gozo Gems Linda Henry

'Gozo Gems' is an eclectic mix of poems, inspired by the love affair the author has been having with 'this bejewelled isle' since she first came to the island 30 years ago. It explores the little country lanes, sweeping valleys, villages, capital, flora, fauna and the festivals in an insightful way, shedding new insights, perspectives and parallels, and above all celebrating all things Gozitan. This is a companion to fellow Gozophiles and a holiday souvenir that will stand the test of time.
