Fresh air: Europe's most inspiring country houses

Soft meadows, birdsong, the starry depths of a clear night sky: in this book, TASCHEN celebrates the pleasures of country living with a **European collection of rustic retreats**. Through Sweden, Ireland, England, Holland, France, Greece, Tuscany, Majorca, and Greece, we present the most inspiring rural homes, each selected for their style, character, and serenity.

From a snug cottage in Kilkenny, Ireland, to a rolling estate in the Tuscan hills, the collection spans both grand and cozy dwellings, celebrating each for their **unique sense of home**, as well as of the **tradition and culture** of their region or country. Highlights include an **artist's retreat in Majorca**; a farmhouse in Normandy, France; and a **fairy-tale crooked house in England**, dating back to 1500. Along the way, we see how creative luminaries have found refuge and inspiration away from city life, exploring **Le Corbusier's favorite Le Cabanon on the Côte d'Azur**, and the **family home of beloved Swedish painter Carl Larsson**.

Whether it is fresh garden flowers on a kitchen table, the promise of crisp white sheets, or the gleam of Swedish sunshine upon freshly polished floors, these **400 pages exude comfort and calm**. With a bounty of interior and exterior photographs alongside details and descriptions, *Living in the Countryside* assures a wealth of interior ideas and a very real breath of fresh air.
