Organizational Design Burton/Obel/DeSanctis
In today's volatile business environment, it is more important than ever that managers, whether of a global multinational or a small team, should understand the fundamentals of organizational design. Written specifically for executives and executive MBA students, the new edition of this successful book provides a step-by-step 'how to' guide for designing an organization. It features comprehensive coverage of the key aspects of organizational design, including goals, strategy, process, people, coordination, control and incentives. These aspects are explained through the use of a unique series of 2 x 2 graphs that provide an integrated, spatial way to assess and plan organizational design. The new edition features a number of important improvements, including a new framework for understanding leadership and organizational climate, the introduction of the concept of manoeuvrability and a completely new chapter examining joint ventures, mergers, partnerships and strategic alliances.

From reader reviews:

Thomas Melendez:

The book Organizational Design can give more knowledge and information about everything you want. So why must we leave a very important thing like a book Organizational Design? Several of you have a different opinion about reserve. But one aim this book can give many data for us. It is absolutely suitable. Right now, try to closer together with your book. Knowledge or facts that you take for that, you may give for each other; you may share all of these. Book Organizational Design has simple shape however, you know: it has great and massive function for you. You can search the enormous world by open up and read a guide. So it is very wonderful.

Rose Slagle:

Information is provisions for individuals to get better life, information currently can get by anyone from everywhere. The information can be a understanding or any news even a problem. What people must be consider any time those information which is inside former life are difficult to be find than now's taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you have the unstable resource then you buy it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Organizational Design as the daily resource information.

Robert Stewart:

Do you have something that that suits you such as book? The book lovers usually prefer to select book like comic, small story and the biggest some may be novel. Now, why not trying Organizational Design that give your entertainment preference will be satisfied through reading this book. Reading practice all over the world can be said as the way for people to know world better then how they react in the direction of the world. It can't be explained constantly that reading addiction only for the geeky person but for all of you who wants to become success person. So , for every you who want to start looking at as your good habit, you may pick Organizational Design become your starter.

Lyle Morales:

Are you kind of active person, only have 10 or 15 minute in your time to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are receiving problem with the book compared to can satisfy your short space of time to read it because this time you only find book that need more time to be examine. Organizational Design can be your answer given it can be read by a person who have those short extra time problems.
