The European Football Yearbook 2016-17 Mike Hammond

Gloriously illustrated with dramatic action photos, artworks and maps, this exceptional volume begins with a review of UEFA competitions, at club and national levels, for both adults, Under-17, Under-19 and Under-21, plus women's football. A detailed review of the 2016 UEFA European Championship finals in France is followed by the thought-provoking Top 100 Players of the Season section, with each of the 100 top stars in Europe—not just those who represent UEFA member nations—discussed with biographical and statistical information. At the core of the book is the statistical review of all 54 UEFA member nations' domestic competitions, not just league tables, but a full results service (with dates, venues and scorers for every league match), plus appearance information for each club in the league and main cup competition. The last section concentrates on the clubs in the top division of each member nation for the upcoming season, with a map of the country and information on each of their European competition entrants. An appendix gives details of UEFA, an events calendar for UEFA competitions in 2016/17 and the fixture list for the 2018 FIFA World Cup Russia qualifying competition.
