## Asian Americans in Dixie: Race and Migration in the South (Asian American Experience)

Extending the understanding of race and ethnicity in the South beyond the prism of black-white relations, this interdisciplinary collection explores the growth, impact, and significance of rapidly growing Asian American populations in the American South. Avoiding the usual focus on the East and West Coasts, several essays attend to the nuanced ways in which Asian Americans negotiate the dominant black and white racial binary, while others provoke readers to reconsider the supposed cultural isolation of the region, reintroducing the South within a historical web of global networks across the Caribbean, Pacific, and Atlantic.

Contributors are Vivek Bald, Leslie Bow, Amy Brandzel, Daniel Bronstein, Jigna Desai, Jennifer Ho, Khyati Y. Joshi, ChangHwan Kim, Marguerite Nguyen, Purvi Shah, Arthur Sakamoto, Jasmine Tang, Isao Takei, and Roy Vu.
