Dennis the Menace is the brainchild of Hank Ketcham. Appearing in more than 1,000 newspapers, the humor is based on the interaction of five-and-half-year-old Dennis Mitchell with his parents, neighbors and various friends. Dennis is a combination of good intentions, misdirected helpfulness and exuberant energy, which never fails to provide an entertaining mixture of merriment. Originally published in the 50s, 60s, and 70s, these comics are just as funny today as when they first appeared.
