Jason Fulford: Contains 3 Books

Jason Fulford: Contains 3 Books

Jason Fulford: Contains 3 Books is a silver foil-stamped box that, appropriately enough, contains three books by photographer Jason Fulford (born 1973): *Mild Moderate Severe Profound*, *I Am Napoleon* and *&&*. The culmination of three years and 15 countries' worth of travel around the world undertaken by Fulford as a Guggenheim Fellow, the photographs in these three volumes receive Fulford's trademark elliptical, evocative sequencing, interspersed with texts that alternately explain and confound.

I Am Napoleon begins with a prefatory note that can be taken as emblematic of the project as a whole: "I think any book or picture or composition of any sort, once out into the world, so to say, produces a different effect on each person who seriously tries to follow it. I certainly do not think that the author of it has any monopoly on its interpretation."
