## Joe & Me Mr Steve Lemco

This story gets out of the gate early and remains at a fast pace. It will toy with your emotions bouncing you from laughter to sorrow. By the second chapter you will be drawn into the family, eagerly awaiting the next adventure. By chapter 5 you will understand the title of Joe & Me. Yet there is tragedy in my book, as there is in anybody's life. This book is about me growing up with 3 older brothers and a younger sister. From the outback of Australia, to the streets of the Bronx, New York. To the small wooded community of Bonney Lake, Washington. My street wise brothers cause hysterical havoc. One of my brothers would become a self made millionaire. (If you Google Ed Lemco you will find endless information about the company I helped him build) Another brother would become a Hollywood-to-stars drug dealer. He paid the ultimate price. The 3rd brother would run away from home at age 16 and join a carnival. In 1977 he robbed a bank in Eugene Oregon. He received 40 years in prison. I became a make shift lawyer and got him out in 4 years. As for me, I tell the true stories of how Joe Walsh and I became friends. From the James Gang to the Eagles with Barnstorm in between. There were many obstacles to overcome in meeting Joe but a path was laid before me by a LSD premonition I had when I was a teenager. You will believe in it as I most certainly do.
