Robert Willoughby

North Korea, 2nd Edition (Bradt Travel Guides) Robert Willoughby

A new edition of the first travel guide to cover the practical aspects of travelling to and around North Korea, a country which both intrigues and concerns the international community. Everything a genuine traveler needs is here, including red tape and security issues, access from South Korea and Beijing, routes outwards from Pyongyang, and opportunities for excursions into unspoilt countryside. Altogether a fascinating insight into the culture and history of a country that currently exists in virtual isolation from the rest of the world.
