## **Vagabondage** Beth Spencer

In this playful verse memoir about her year spent living in a campervan, Beth Spencer takes us on a journey into the pleasures and challenges of being in service to freedom.

A poignant, sharp and funny meditation on belonging -- circling back and forth between family, relationships, memory and desire -- her story tracks the often-fine line between solitude and loneliness, the pull of what we possess and what possesses us, and the elusive idea of home.

This is the long-awaited new book from the author of *Things in a Glass Box* (FIP, 1994) and *How to Conceive of a Girl* (Vintage, 1996) which was runner up for the Steele Rudd Award.

*Vagabondage* is not just for lovers of poetry, but for anyone interested in a new way of writing memoir.
