Additional illumination is provided through texts by Rottenberg herself that accompany each project. The book also includes drawing and photography, significant bodies of work by Rottenberg not previously explored in book form. Also included is a major new text by award-winning poet, novelist, humorist and cultural critic Wayne Koestenbaum, as well as texts on the artist by Rose Art Museum director Christopher Bedford, and author and theorist Julia Bryan-Wilson. The book also contains a thorough biography and bibliography of the artist to date, making this a comprehensive resource on Rottenberg.
