Slave Training Chew Toy

Jenny's hot secret fantasies have always centered around intense submission-- to a loving boyfriend, a harsh Master, sometimes even a stranger. But her new boyfriend Andrew seems prepared to take things farther than she'd ever dreamed. He introduces her to his own fantasies: of training her subconscious mind through hypnosis, to helplessly obey commands that scare and excite her at the same time. They agree that he will hypnotize her to obey anyone in his house... including his five housemates. No-one is quite sure where that will lead. But all of them are eager to find out. A tender and romantic story of making wicked fantasy into loving reality.
