The Sociology of Fun

Ben Fincham

The Sociology of Fun Ben Fincham

What is fun? How is it distinct from happiness or pleasure? How do we know when we are having it? This book is the first to provide a comprehensive sociological account of this taken for granted social phenomenon. Fincham investigates areas such as our memories of fun in childhood, the fun we have as adults, our muted experiences of fun at work and our lived experiences of having fun. Using first-hand accounts and a new approach to interpreting fun, the paradox of fun as not serious or unimportant whilst at the same time essential for a happy life is exposed. Addressing questions of control, transgression and the primacy of social relationships in fun, *The Sociology of Fun* is intended to provoke discussion about how we want to have fun and who determines the fun we have.

From reader reviews:

Laurie Riley:

Exactly why? Because this The Sociology of Fun is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such awesome way makes the content within easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of gains than the other book include such as help improving your expertise and your critical thinking approach. So , still want to delay having that book? If I had been you I will go to the book store hurriedly.

Jamey Norton:

This The Sociology of Fun is brand new way for you who has curiosity to look for some information because it relief your hunger associated with. Getting deeper you onto it getting knowledge more you know otherwise you who still having little digest in reading this The Sociology of Fun can be the light food for you because the information inside that book is easy to get by simply anyone. These books produce itself in the form and that is reachable by anyone, yeah I mean in the e-book form. People who think that in publication form make them feel drowsy even dizzy this reserve is the answer. So there is not any in reading a reserve especially this one. You can find actually looking for. It should be here for you actually. So , don't miss the item! Just read this e-book sort for your better life as well as knowledge.

Jason Scott:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just little students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Sociology of Fun can make you really feel more interested to read.

Hilary Winters:

Reading a book make you to get more knowledge from this. You can take knowledge and information originating from a book. Book is composed or printed or descriptive from each source in which filled update of news. On this modern era like now, many ways to get information are available for a person. From media social just like newspaper, magazines, science reserve, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Do you want to spend your spare time to open your book? Or just in search of the The Sociology of Fun when you needed it?
