To the thrill of rabid fans the world over, television's Xena: Warrior Princess is back for swashbuckling new adventures! After the Twilight of the Gods, the world is precariously uncertain, and Xena and Gabrielle have been missing for twenty-five years. The power of Rome is growing; Caesar is determined to conquer by lies what he can't conquer by force, and the people at its edges know what's coming. Our heroines return to stop him before they have to wage war against a man they once called a friend... but along the way, Xena will have to confront her past against a rogue band of women warriors, and Gabrielle, whose secret visions are becoming prophecy, will have to protect her partner at any cost.
