Behind the Canvas Alexander Vance

There is a world behind the canvas. Past the paint of the canvas is a realm where art lives, breathes, creates, destroys.

Claudia Miravista loves art but only sees what is on the surface, until the Dutch boy Pim appears in her painting. Pim has been trapped in the world behind the canvas for centuries by a power-hungry witch, and now believes that Claudia is his only hope for escape. Fueled by the help of an ancient artist and some microwaveable magic, Claudia enters the wondrous and terrifying world, intent on destroying the witch's most cherished possession and setting Pim free. But in that world nothing is quite as it appears on the surface. Not even friendship.
