## Cincinnati Shadow and Light

Emmy-award winner Michael E. Keating shares the 100 most memorable and moving images from his five decades as a photojournalist, capturing the faces of Cincinnati, featuring unforgettable moments from regional history, human drama, and regional pride.

This retrospective collection displays the beauty of daily life, presented in sections called The Ohio River, Dispatches from the Field, The Cincinnati Reds, Character, and Personality.

His affection for his subjects is clear as he goes behind the scenes, with careful compositions that bring the grandeur and grittiness of life along the Ohio River to life from unique and perilous vantage points. Feel the tension in breaking-news photographs that changed lives. With poignant portraits, tender moments, and photographs that will leave you laughing, the style of Michael E. Keating is a visual treat.

In Greg Hoard's foreword, Keating presents the story of his entry into the newspaper business and the influence of, and his appreciation to, the mentors who enabled him to enjoy such a long career. "I've probably had a better outcome than I should have ever had," Keating says. "There were some rocky times. I didn't have a great pedigree, but I was determined to do this and to do it well."
