## **Come Looking for Me: A Novel (Seasons of War) Cheryl Cooper**

In *Come Looking for Me*, a mysterious young English woman named Emily risks a crossing of the Atlantic during the War of 1812 for the promise of a new adventure in Canada. But she never arrives.

Captured by Captain Trevelyan, a man as cold-blooded as his frigate is menacing, Emily is held prisoner aboard the USS *Serendipity*. Seeking to save herself, she makes a desperate escape overboard in the midst of a raging sea battle and is rescued by the British crew of HMS *Isabelle*. Yet Emily has only exchanged one form of captivity for another, and remains in peril as England escalates its fight against the United States on the Atlantic.

On board the *Isabelle*, Emily encounters a crew of fascinating seamen and strikes up unexpected friendships, but life on a man-of-war is full of deprivations and dangers to which she is unaccustomed. Amidst heartache and tragedy at sea, she struggles to find her place among the men until a turn of events reveals her true identity. And when Trevelyan's ship once again looms on the horizon, Emily fears losing the only man she has ever loved and falling into the hands of the only man she has ever loathed.

*Come Looking for Me* is a rich and compelling story of love and courage, friendship and treachery, triumph and loss. With humour and poignancy, author Cheryl Cooper captures all the colour, detail, and excitement of the great ships from the golden age of sail, while bringing to life those who fought upon them. She tells a story of the bravery of the men locked in the epic, brutal struggle that was the War of 1812, and the courage of a woman who, with extraordinary determination, labours to make her own way in life and in love.
