Field-Russia (New Directions Paperbook)

Gennady Aygi

Field-Russia (New Directions Paperbook) Gennady Aygi

The central work by the world-famous Chuvashian who "writes with an imagistic compression an real time candor that is utterly unique" (*Publishers Weekly*).

Lifelong Aygi translator and friend Peter France wrote in *The Guardian*: "Aygi wrote from a deep awareness of the losses and destructions of the 20th century." *Field-Russia* is a book of poems arranged shortly before Aygi's death, which in his view occupied a central place in his work. The collection opens with an informal conversation about poetry, and is followed by a series of little lyric "books"—*Field-Russia*, *Time of the Ravines*, and *Final Departure*—that form a part of Aygi's "life-book." Like Ahkmatova and Celan before him, Aygi has left us with these most necessary words to dwell in—a quiet, spiritual poetry in a time of uprootedness and despair.
