The Voice in my Head: How I Know What to Do

J. Jason Gale

The Voice in my Head: How I Know What to Do J. Jason Gale

If you usually don't like poetry, the odds go up that you'll like this book. Don't expect to find any mushy verses on the wondrous ascendancy of love and the human spirit. Get a shrink! It was inspired by in large by classic rock-n-roll such as Pink Floyd's "Dark Side of the Moon," Elton John's "Madman Across the Water" and the like. The Voice in My Head touches on concepts like life, death, love, time, physics, economic necessity and identity among others. And just for fun it plays with some made-up characters too. There are some laughs and heartaches mixed in with thought provoking looks at the nonsensical things people (including myself) do. The voice in my head tells me what to do, and for the most part, that's what I do, even though I have no idea who the hell he is. For mental exercise and an emotional workout, make the voice in your head tell you to get this book.
