This new collection of vintage-with-a-twist work by Anne Taintor offers up a fresh serving of Anne's signature hilarious commentary on the joys, challenges, and cocktail hours of motherhood. From the fundamentals (*WOW! I get to give birth AND change diapers!*) to putting food on the table (*you see them as pies . . . I see them as cries for help*) to dealing with childhood questions (*because I'm the mother . . . that's why*) and strategies for taking the edge off (*now be a dear and fetch mommy her flask*), Taintor expertly captures the funny, frantic, and honest thoughts that most moms have experienced, with an attitude mothers everywhere will welcome.
