This beer coloring book is a tribute to the revered, ancient, and most excellent beverage ever created. Beer is one of the oldest beverages humans have ever produced. Beer is believed to have been produced up to 7,000 years ago! God bless the ancient man who first produced the wonderful beverage of beer!

When ancient man saw a bubbling, fermented vat of grain that had been rained on and left out for too long and said, “You know, that looks tasty. I think I'm going to try that frighteningly smelling sludge.” If he had not been so courageously willing to sacrifice his taste buds and digestive system, we might never have had what we have today as our modern beer. And that is a scary thought!
