## **The Anti-Racist Cookbook** Robin Parker, Pamela, Smith Chambers

Many Americans are distressed by race but few know how to talk about it. This book tells how. Dialogue, the authors posit, begins the path to racial reconciliation. The Anti-Racist Cookbook gives straight-forward advice on forming dialogue groups. From whom to invite and how to arrange the room to how to facilitate and what questions to discuss, everything is here. Recommended for community groups, students, activists, educators, trainers, faith-based organizations, diversity councils, and anyone else interested in answering the question "What can we do and how can we do it?"
