**Woman to woman. Older to younger. Day to day. Life to life.  
This is God's beautiful plan.**

The Titus 2 model of older women living out the gospel alongside younger women is vital for us all to thrive. It is mutually strengthening, glorifies God, and makes His truth believable to our world.

Imagine older women investing themselves in the lives of younger women, blessing whole families and churches. Imagine young wives, moms, and singles gaining wisdom and encouragement from women who've been there and have found God's ways to be true and good. Imagine all women—from older women to young girls—living out His transforming gospel together, growing the entire body of Christ to be more beautiful.

This is Christian community as God designed it. Read this book and take your relationships to new depths, that your life might find its fullest meaning as you adorn the gospel of Christ.
