Being Catholic: How We Believe, Practice and Think

Archbishop Daniel E Pilarczyk

Being Catholic: How We Believe, Practice and Think Archbishop Daniel E Pilarczyk

This book is...an act of witnessing, a testimony to the generosity of God that Catholics experience in accepting and living out the gift of faith that Christ has bestowed on them.—from the Introduction

A bishop is not only a spiritual shepherd but a teacher. In *Being Catholic* Archbishop Pilarczyk teaches in clear, concise language the basic beliefs and practices of Catholics and what shapes a Catholic's thinking. The book discusses:

HOW WE BELIEVE: Believing Catholic is a matter of knowing, understanding and responding to a story—the true story of God's love for us. It offers "the fundamentals that have to be there if thinking and practicing Catholic are going to have any appeal or make any sense."

HOW WE PRACTICE: Reflections on the behaviors that express our faith and our membership in the Church, such as going to Mass, receiving the sacraments and raising children Catholic. By being a practicing Catholic, we strengthen our behaviors so we can proclaim them to others.

HOW WE THINK: A series of thoughtful, pastoral and heartfelt reflections on all aspects of our lives in the world, seen through the eyes of one deeply faithful to the tradition and teachings of the church. Topics for "Thinking Catholic" include respect for life, spiritual maturity and a universal Church.
