His Right Hand (A Linda Wallheim Mystery)

Mette Ivie Harrison

His Right Hand (A Linda Wallheim Mystery) Mette Ivie Harrison

In the follow-up to the controversial and critically acclaimed mystery *The Bishop's Wife*, Mormon housewife Linda Wallheim finds herself ruffling feathers in Draper, Utah, as she assists a murder investigation that is being derailed by transphobia within the LDS community.

In Draper, Utah, a tight-knit Mormon community is thrown into upheaval when their ward's second counselor—one of the bishop's right-hand men—is found dead in an elaborately staged murder on church property. Carl Ashby was known as a devout Mormon, a pillar of the community, and a loving husband and father. Who would want him dead?

Linda Wallheim, the wife of the ward's bishop, can't rest as long as the ward is suffering. She is particularly worried about Carl's grieving family. But the entire case is turned upside down by the autopsy report, which reveals Carl Ashby was a biological female. In the Mormon church, where gender is considered part of a person's soul, some people regard transgenderism as one of the worst possible sins. Church officials seem to be more upset by Carl's gender than by his murder, and more concerned with hushing up the story than solving the crime.

Linda realizes that if the police are to catch the killer, they are going to need an ally on the inside—and she is the only one who can help. Carl was living a life of secrecy for twenty years. What else was he hiding—and can Linda ferret out the key to his death before the rumors tear her community apart?

From the Hardcover edition.

From reader reviews:

Joseph Benoit:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each e-book has different aim as well as goal; it means that book has different type. Some people really feel enjoy to spend their time to read a book. They may be reading whatever they take because their hobby will be reading a book. Consider the person who don't like looking at a book? Sometime, particular person feel need book when they found difficult problem or exercise. Well, probably you'll have this His Right Hand (A Linda Wallheim Mystery).

Ian Hall:

What do you concerning book? It is not important along? Or just adding material when you really need something to explain what the ones you have problem? How about your free time? Or are you busy person? If you don't have spare time to do others business, it is make you feel bored faster. And you have time? What did you do? Everybody has many questions above. They need to answer that question because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this kind of His Right Hand (A Linda Wallheim Mystery) to read.

Robert Victor:

Here thing why this particular His Right Hand (A Linda Wallheim Mystery) are different and reputable to be yours. First of all examining a book is good but it really depends in the content than it which is the content is as yummy as food or not. His Right Hand (A Linda Wallheim Mystery) giving you information deeper and in different ways, you can find any book out there but there is no guide that similar with His Right Hand (A Linda Wallheim Mystery). It gives you thrill examining journey, its open up your current eyes about the thing that happened in the world which is maybe can be happened around you. You can bring everywhere like in park, café, or even in your way home by train. In case you are having difficulties in bringing the branded book maybe the form of His Right Hand (A Linda Wallheim Mystery) in e-book can be your alternate.

Kaye Reynolds:

The reason? Because this His Right Hand (A Linda Wallheim Mystery) is an unordinary book that the inside of the publication waiting for you to snap this but latter it will surprise you with the secret it inside. Reading this book close to it was fantastic author who else write the book in such incredible way makes the content on the inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of gains than the other book possess such as help improving your proficiency and your critical thinking approach. So , still want to hold off having that book? If I were being you I will go to the book store hurriedly.
