Magento 1.3 Sales Tactics Cookbook William Rice

This book contains recipes that define common problems and provide suggested solutions. This is not a book to read from cover-to-cover, it is a hands-on solutions book that takes a practical approach to recipes, providing code samples that can easily be extracted and modified to suit the needs of the reader. Each recipe is presented as a separate entity and prior reading of other recipes is not required. Chapters provide categorization of recipes and give an introduction to the subject area with reference to the recipes contained within. If you are a Magento store owner or store designer who wants to boost sales, then this book is for you.
