Three years have passed since Isiah's run in with Samuel Harrigan and the Devil. He has some time on his hands - a perfect opportunity to track down the evil Sorcerer, Harrigan's mentor. It should have been a simple enough task, but the Sorcerer has more followers than Isiah ever imagined, and a plan bigger than anyone could have dreamed. With the help of some powerful new friends, Isiah desperately tries to track down the Sorcerer and his cult of blood before they manage to change the world forever. In this long-awaited sequel to the highly acclaimed RealmShift, Baxter once again keeps a breathless pace and blistering intensity with gods, demons and humans entangled in magic and conflict. This is dark fantasy at its best.
