No matter your background, SEO 2017 will walk you through search engine optimization techniques used to grow countless companies online, exact steps to rank high in Google, and how get a ton of customers. First, let me tell you a little secret about SEO marketing...

Most of the search engine optimization advice on the Internet is wrong!

If you've sifted through the torrents of search engine optimization advice online, you may have noticed two things:

- Most SEO advice is outdated or just dead-wrong.
- Google's constant updates have made many popular SEO optimization strategies useless.

Why is this so? Google are constantly evolving, making it difficult to know what works. Recent changes:

1. September, 2016 - Google announces Penguin 4.0, the latest and biggest update to their link-spam algorithm, which has now become a real-time addition to their core search algorithm.
2. September, 2016 - Webmasters report a groundbreaking update to Google's local search results now known as the Possum update, presenting new challenges to local businesses.
3. August, 2016 - Google announces their upcoming "Interstitial" update which will effectively put an end to mobile pop-up advertisements in coming months.

SEO 2017 is now updated to cover the latest changes to Google's algorithm, and walks you through the latest updates and how to use them to your advantage. This book also reveals industry secrets about staying ahead of Google's algorithm and what potential Google changes may be coming up in 2017. With this best-selling SEO book you can learn SEO from a fundamental level, achieve top rankings, and generate a wave of new customers to your site.
