## **The Green Man: Spirit of Nature** John Matthews

"The Green Man invites us to rejoin him in the ongoing dance of the seasons, to celebrate the strength of greenness and its ability to transform our lives into something richer and sweeter." He's known as Green Jack, Puck, the Green Knight, Pan, Robin Hood, and the Jolly Green Giant, and likely many more names lost in the mists of time. *The Green Man* is an ancient symbol of nature and fertility and wildness, whose leafy image can be seen today on buildings and in artwork from various cultures all over the world. This gift box is a wonderful introduction to the Green Man and all that he represents. With 25 full-color images from throughout the ages and across cultures, the book traces the many strands of the legend - from the first agrarian people of the ancient world to our own time when the Green Man has become an unofficial icon for the environmental movement. A uniquely crafted plaque depicting the Green Man in his benign guise completes the package. The plaque was specially designed for this kit and will provide a whimsical touch of nature in the garden, on the patio, or in any room in the house.
