Emily Post's Etiquette

Emily Post

Emily Post's Etiquette Emily Post

Earlier in this century people turned to Emily Post for etiquette advice about the way they lived in the rapidly changing age known as the Roaring Twenties. As we prepare to enter a new millennium people continue to turn to Emily Post for advice on etiquette and manners. While etiquette remains a code of behavior based on kindness, consideration and unselfishness that does not change, our manners, the practice of etiquette, *must* change as our world changes. The world of today is both vastly different and astonishingly the same as the world Emily Post herself knew. Seventy-five years after Emily Post wrote her groundbreaking book, Peggy Post, her great-grand-daughter-in-law, has thoroughly revised and updated *Emily Post's Etiquette* to take us into the next century.

The hallmarks that define *Emily Post's Etiquette* as an indispensable resource remain: the correct table-setting for an intimate dinner party of eight, the proper response to a formal third-person invitation, and of course, all the details of planning a wedding. But in a world where our neighbors and coworkers are as likely to come from the other side of the globe as the other side of town, changes both subtle and radical are necessary in our manners. In addition to a chapter devoted to doing business internationally, readers find not only advice for visiting those from other cultures living in our country, but also guidance on wearing ethnic clothing when traveling in other countries. Previous editions have explained the traditions of Christianity and Judaism but now for the first time readers learn about birth and death ceremonies of Buddhism, Islam and Hinduism. Sports participants who used to read only about the etiquette of golf, tennis, skiing and sailing, now learn about in-line skating and snowboarding as well.

Emily Post's Etiquette, is not just for your grandmothers generation. It's for all of us.

From reader reviews:

Rosa Nguyen:

Nowadays reading books become more than want or need but also get a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The info you get based on what kind of e-book you read, if you want get more knowledge just go with training books but if you want feel happy read one together with theme for entertaining for instance comic or novel. The particular Emily Post's Etiquette is kind of reserve which is giving the reader unforeseen experience.

Elvis Quinlan:

Spent a free time for you to be fun activity to try and do! A lot of people spent their free time with their family, or their friends. Usually they carrying out activity like watching television, about to beach, or picnic from the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? Can be reading a book could be option to fill your free time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to try look for book, may be the guide untitled Emily Post's Etiquette can be good book to read. May be it may be best activity to you.

Janice Pyles:

Your reading 6th sense will not betray anyone, why because this Emily Post's Etiquette book written by well-known writer whose to say well how to make book which can be understand by anyone who read the book. Written with good manner for you, still dripping wet every ideas and creating skill only for eliminate your current hunger then you still doubt Emily Post's Etiquette as good book but not only by the cover but also with the content. This is one publication that can break don't assess book by its deal with, so do you still needing one more sixth sense to pick that!?! Oh come on your looking at sixth sense already alerted you so why you have to listening to yet another sixth sense.

Amy Petersen:

Many people spending their period by playing outside having friends, fun activity with family or just watching TV all day every day. You can have new activity to shell out your whole day by studying a book. Ugh, ya think reading a book can really hard because you have to use the book everywhere? It alright you can have the e-book, taking everywhere you want in your Smartphone. Like Emily Post's Etiquette which is getting the e-book version. So , why not try out this book? Let's see.
