## Energy Policies Of IEA Countries: Greece 2011

Energy Policies of IEA Countries offers a comprehensive analysis of the country's energy sector, evaluating its strengths and weaknesses across the fuel mix, as well as looking at broader issues such as energy efficiency, environmental performance, and technology research and development. It also includes policy critiques and recommendations, drawing on experience across IEA member countries. For policy makers charged with solving the country's emerging energy challenges, this book is essential.
