Guatemala: Sangre En La Milpa Bonnie Dilger

Esta historia en tiempo presente, comienza en El Salvador y termina en un pueblo de Guatemala, Santiago Atitlan, habitada por los indígenas de Guatemala. La historia lleva al lector en una de las épocas más representativas y turbulenta en la historia de Guatemala, a partir de 1973 hasta 1994, cuando los Acuerdos de Paz fueron firmados por el gobierno y La Unión Revolucionaria Nacional de Guatemala (URNG) vecindario de México. A través de una serie de episodios a veces humorísticas, pero frecuentemente trágico, la autora se da cuenta que en realidad existen dos Guatemala- La Guatemala para turistas y relatos de viajes bonitos, y la verdadera Guatemala, donde la enfermedad y la pobreza abundan , donde la represión es lo peor en el Hemisferio Occidental . Los abusos gubernamentales están destinadas a mantener intacto y para evitar cualquier posible revueltas en el país, pero como con todos los abusos de regímenes represivos, el terror ocasionado a los ciudadanos guatemaltecos se han traducido sólo caos. Mientras caminaba por el sendero panorámico de Panajachel, principal pueblo turístico del lago, la autora descubre que ella, también de alguna manera ha sido hecha una enemiga de Guatemala. *Los Acuerdos de Paz firmados en 1994 fueron un fracaso político, y no fue hasta el 29 de diciembre de 1996, que el gobierno de la época, su ejército y la guerrilla llegaron a un acuerdo para poner fin al conflicto, que en gran medida determinará si Guatemala será capaz de saber una paz verdadera sin más derramamiento de sangre en sus campos de maíz. "Reí, llore y aprendí mucho" Danielle Robertson "Una gran lectura para todos, particularmente esas historias interesantes en Centro América" Jeannette Sears. "Agradezco a Bonnie Dilger por recordarme que eso es importante más allá de uno mismo" Dr. William Faraclas.
