Hatred Day (Volume 1) T.S. Pettibone

"This confident and captivating novel should leave readers eagerly anticipating future volumes." - *Kirkus Reviews*, (starred review)

In the year 2052, it's not love but hate that unites the world.

Humanity is unified against the *Inborns*, an extraterrestrial species with godlike intelligence and abilities whose arrival on earth caused an environmental and biological crisis.

Enslaved and despised even by her own Inbornkind, 18-year-old Snofrid reawakens to the world after having her memories stolen and is certain of only one thing: she will do anything to ensure her freedom. But her resolution is soon tested when the son of a high-ranking human official is murdered and her home city becomes the center of the interspecies war, one that might see the Inborns purged. Desperate to find a way out of the city for herself and her family, Snofrid risks making a deal with the manipulative Inborn Commander, Hadrian, and his brutal cadre of soldiers. Her task is simple: take part in a historic hunt that will bring wealth and fame to all who survive. Unfortunately, Snofrid's role is one in which survival is rarely seen--the bait.

Hatred Day is the first installment in T.S. Pettibone's Hatred Day Series.
