Spacelines to the Milkyway: Third Wave (Galactic) Airlines Book 2 Dr Doug Haynes

To keep this book from being fictional and more scholarly practitioner referenced, the author decided to use his multiple talents, 35 years teaching experience, and participation in the various civilian international space flight competitions such as X-Prize and The America Bigalow Space Race to help legitimize, and or advance the factual part of this Third Wave (Galactic) Airlines trilogy package. Since this Third Wave (Galactic) Airlines trilogy package covers past, present, and future airline/Spaceline, Starline activities Dr. Haynes had the luxury of using each section of it as the primary text in his various aviation, airline and aerospace management campus/online classes while he performed as either a collage professor, flight ground instructor, or airline personal teacher.
