Squeaky Goes Home: One of Mrs. Tenpenny's Tales Cynthia Langham

"This is the best day of my whole life!" squeals newborn hamster, Squeaky, when he discovers he was born in a first grade classroom. He tells the "true" story of the first three weeks of his life with his 7 brothers and sisters. This is the second of "Mrs. Tenpenny's Tales" to be published. "Squeaky Goes Home" follows "Rocky, Come Home", the story of a classroom pet, a hermit crab, who goes "on vacation". These tales are based on adventures in the first grade classroom of real-life Mrs. Tenpenny. Inspired by 34 years and hundreds of inquisitive students, she has more tales to tell in the future. Homophones cause some confusion in the minds of the hamster babies. This former teacher uses every opportunity to teach the importance of understanding our language. We think you'll fall in love with Squeaky!
