## **Book Description:**

When you become the parent of a little boy, you have been given a precious gift. Your tiny little baby will become a cheeky little boy and an infuriating toddler. He will grow into an earnest schoolboy and a tentative young man, feeling his way in his world.

As your son begins his unique journey, take some time to reflect on your wishes, hopes and dreams for his life. This journal will help you to express your thoughts on thirty topics, from school days to career, from grief to joy, and from faith to fatherhood.

Work your way through the prompts from the beginning, or dip into topics that inspire you at a given time. Use the quotes and poetry to inspire your imagination and clarify your thoughts. You will be able to look back upon your thoughts in future years, and reflect. Or perhaps you will choose to give this journal to your son one day, as a keepsake of you and your dreams for him.
