Human Sexuality in Biblical Perspective: A Study Guide

Human Sexuality in Biblical Perspective: A Study Guide

"Offering an insightful and distinctively Mennonite 'angle, ' into contemporary debates regarding sexuality, this book identifies key themes worth talking about in fresh ways." --*James Brownson, Author, Bible, Gender, Sexuality: Reframing the Church's Debate on Same-Sex Relationships*

"For a church that has stumbled in its proclamation of good news for lesbian, gay, bisexual, transgender, and queer people, Carrie and Gerald Mast offer a refreshing, thoughtful and important Anabaptist biblical vision about sexuality, desire, power, and peace." --*Carol Wise, Executive Director, Brethren Mennonite Council for LGBT Interests (BMC)*

"This guide is distinctively courageous as it raises issues of authority and power, conformity and nonconformity. These are topics Anabaptists too often avoid but which cannot be set aside in today's discussions of sexuality and Christian discipleship. I highly recommend this book to all who seek to be faithful followers of Jesus Christ." --*Melanie A. Duguid-May, John Price Crozer Professor of Theology at Colgate Rochester Crozer Divinity School*

"There is so much wisdom in this study guide--biblically-grounded, faithful, relevant wisdom, rooted in a thoroughly Anabaptist understanding of the role of Scripture, Spirit, and community in discernment. Insights could be applied to any contentious issue before the church." --*Sheri Hostetler, Pastor, First Mennonite Church of San Francisco*

The Editors: Carrie A. Mast assists with the administration of graduate programs in business at Bluffton University and serves on the board of directors of Central District Conference. **Gerald J. Mast** teaches communication at Bluffton University and is the author of numerous books and articles including *Go to Church, Change the World: Christian Community as Calling*.
