Tempest Day is an expert on helping others find love through her Connection Parties matchmaking service and the methods outlined in her bestselling book, Love Simplified. She's one step away from becoming a celebrity matchmaker, the pinnacle of her career dreams. But when a seemingly simple interview on the nation's most popular daytime television show takes an ugly turn, Tempest is forced to admit a secret she's carried for years: She's never been in love. The fallout is immediate and severe. So severe that the only way to fix the damage is to use her own methods on a reality TV show. Tempest soon discovers that love is anything but simple. The show and its cranky but handsome associate producer, Lance Moretti, challenges all that Tempest thought she knew about relationships, even her relationship with God. What starts as a desperate attempt repair her reputation turns into Tempest's biggest love connection ever.
