Organizational Innovation by Integrating Simplification: Learning from Buurtzorg Nederland (Management for Professionals) Sharda S. Nandram

This book presents the theory of integrating simplification and it provides a profound evidence based study of Buurtzorg Nederland. The case itself, forming the building block of the theory, has received tremendous interest in the Netherlands and abroad. This is the first international book on Buurtzorg Nederland and the first one departing from a management multidisciplinary perspective. The book demonstrates theory building by using the Grounded Theory Methodology as a way to contribute to management theory. Integrating simplification gives room for context specific implementation of organizational innovation to different industries.
