Pharmacology: A 2-in-1 Reference for Nurses (2-in-1 Reference for Nurses Series) Springhouse

This unique 2-in-1 reference presents vital information on pharmacology, dosage calculation, and drug therapy in two practical, helpful ways on every page. The wide inner column of each page contains in-depth narrative text; the narrow outer column contains brief bulleted summaries of the same information. This page layout enables nurses to quickly scan the bulleted points and jump to detailed information as needed without turning the page. Numerous quick-scan tables and illustrations are also included.

Coverage includes over 500 drugs, arranged by therapeutic use. The book provides numerous safety pointers on dosage calculation, drug administration, and avoiding medication errors.
