The Truth About Angels (Kingdom Agenda Series) Tony Evans

How much do you know about angels?

Few supernatural beings are of more speculation than angels. In art we see them depicted as chubby babies and fierce, radiant warriors. Sometimes they wield swords; other times a bow and arrow surrounded by floating hearts. Some have halos; some do not. Clearly we're confused.

In *The Truth About Angels*, Tony Evans goes to the Scriptures to set the record straight. He clearly and simply explains who angels are, what they do, and what it all means for the everyday lives of believers.

A short, practical, and engaging book, *The Truth About Angels* is a one-stop guide to the role of angels in the world and eternity. It will help you fight the good fight of faith, knowing that the heavenly hosts are waging war on your behalf.
