When the Deliverer needs Deliverance Dr. D. K. Olukoya

Can be simply described as one of the most powerful books ever written on the subject of the Christian ministry. This book is written by a minister who is well versed in the perils of the Christian ministry, the pitfalls to avoid as well as the vital areas where the gospel minister needs to be ministered to. This is indeed a ground breaking book from the pen of an author who has been given uncommon insights into the deep pathos as well as the heavy burdens which the Almighty has for all cadres of Christian leadership including General Overseers, General Superintendents, Senior Pastors, Pastors, Evangelists, Christian workers and deliverance ministers. It is a manual for ministerial deliverance. This book will change your life and your ministry.
